

KLE SOCIETY'S KLE COLLEGE OF LAW, NAVI MUMBAI COURSE PLAN A.Y. 2022-2023

SECTION-I

CLASS: TYBLS

SEMESTER: VI

COURSE NAME: LAW AND MEDICINE

HOURS PER WEEK: 6 hours

FACULTY NAME: PROF. KRITIKA SINGH

CONTACT DETAILS: (email id)

kritikasingh@klecollegeoflawmumbai.edu.in

CREDITS: 4

COURSE TYPE: CORE SUBJECT

COURSE OBJECTIVES: The course is designed to impart to the students an understanding of the areas of health law and various kinds of Alternative Medicine law in India. It will help in analyzing lacunae within the professional obligations of doctors and

understanding the doctor-patient relationship. The students will be taught to synthesize various related provisions under Constitution, Tort Law, Indian Penal Code and Consumer Laws. The student's knowledge of law and medicine with special emphasis on the legal and ethical issues surrounding the administration of treatment of medical procedures in the backdrop of the advancement of science and technology is covered. This syllabus is designed to enable the students to be legally armed for skilful advocacy as practising lawyers and jurists in future. Overall, this course aspires to provide an in-depth understanding of the workings of the medical profession and equip students accordingly with the requisite knowledge to protect the interests of people, prevent wrongs and remedy wrongs.

COURSE OUTCOMES:

- 1. Acquire detailed knowledge of the regulation of traditional medicines and essential medicines through the AYUSH ministry
- 2. Apply an international legal framework for the law and medicine.
- 3. Analyse the relationship between the law and medicines, medical professionals and all allied alternative medical professions
- 4. Evaluate identify situations that frequently present legal issues in the healthcare industry.
- 5. Create the international legal framework for the law and medicine, and identify situations that frequently present legal issues in the healthcare industry
