

Program Outcome for LL.M. (2 Year Course)

PO1. Fostering Critical Legal Thinking

To encourage student's critical thinking so that they can acquire a comprehensive understanding of the law.

PO2. Research Skills Through Projects

To provide a platform for the completion of research projects in order to enhance research skills.

PO3. Contextualizing Specialized Legal Knowledge

To evaluate, examine, and put their specializations & legal knowledge into context.

PO4. Understanding Legal Contexts

To deliver students the tools they need to become academics and lifelong learners.

PO5. Enhancing Legal Argumentation Skills

To develop logical legal arguments through the ability to research and critically analyze, evaluate, and apply legal knowledge in problem solving and conflicting perspectives of their specialization.

PO6. Contextualizing Legal Principles

To create awareness and understanding of the ethical, social, political, and economic context in which the basic concepts, values, and rules of the legal system are at odds.
