ABOUT KLE LAW COLLEGE, NAVI MUMBAI

The Institution started with an ambition to impart legal education, which is in fact a very important step towards spreading awareness and empowering the helpless in society.

The College is affiliated to the University of Mumbai, and recognized by the Bar Council of India, New Delhi. It conducts LL.B. (Three Years) & B.A. LL.B. (Five Years) Courses. The College also provides Certificate Courses in Cyber Law, Intellectual Property Rights, Human Rights, and English Language.

The College is pleased to announce a Capacity Building Programme on E-Resources and Legal Research to be conducted purely via online mode.

CONCEPT NOTE

The digitization of legal information has revolutionized research, providing unprecedented access to statutes, case laws, scholarly works, and policy documents. While print sources retain value, online databases, e-journals, repositories, and AI-assisted tools have enhanced efficiency, scope, and methodologies, while also raising ethical concerns. In India, platforms like SCC Online and Manupatra, along with global resources such as Westlaw, LexisNexis, and HeinOnline, are now indispensable. Effective use requires skills in advanced search, evaluation, and ethical application. This Capacity Building Programme aims to equip participants with technical, analytical, and ethical competencies to responsibly harness digital platforms for academic, professional, and policy-oriented legal research.
